SUMMARY OF THE REASONS FOR DECISION:

The video recording entitled *Exciting 510* contains several unrelated scenes of sexual activity depicted in an explicit manner. One of the scenes entitled 'Dirty Party' depicts a woman with a large bottle inserted into her vagina and masturbating with it. This activity presents as potentially hazardous, as is evidenced by the woman nearly dropping the bottle. It also presents as sexual conduct of a demeaning nature. Excision of this scene was recommended, however, the owner failed to respond to the notice of excision within the specified time period.

Section 14 of the New Zealand Bill of Rights Act 1990 (NZBR Act) applies to this publication. However, a scene depicting a woman inserting a large bottle into her vagina was not excised and therefore renders the availability of the publication as likely to be injurious to the public good. This is a limit on the right to freedom of expression that is considered to be reasonable and justified, as outlined in s5 of the NZBR Act.

Accordingly, *Exciting 510* is classified as:
Objectionable.
